

Sailboat Bay

4th of July Boat Parade

Saturday July 4th at 11 AM

Its that time of year again and we are going to have our Annual 4th of July Boat Parade.

For those new owners below is the plan for the boat parade and if you do not own a boat ask your neighbor for a ride, it's alot of FUN and the more boats we can get the more fun it will be.

On the 4th of July we will depart our marina at 11:00 AM, everyone just fall in line as we come around the marina. Spectators can be on your finger piers, balconies or meet up at East/West entrance. The boat parade will make left turn into the ICW and head down the ICW under HWY 59 bridge go just past Tacky Jacks and turn around and come by Lulu's. I have informed Lulu's and they are aware we will be coming so lets have some fun. I will be the lead boat and will have our "Sailboat Bay Sign" on the front of my pontoon boat. I will be playing patriotic music as you all procced by Lulus waving, throwing beads and whatever else some of you might have left over from Mardi Gras Parades. Last year many of the boats kept circling around and going by several times.

Decorate your boat, dress up, support the Red, White and Blue and most of all have FUN.....Dollar Tree by Target and Hobby Lobby has lots or decorations get them early!!!

Lets make this a fantastic 250 year celebration and be proud of our great community and our country.

Please let me know [ASAP] if you have a boat and will be joining us, I just need the number of boats, your name and unit number, also how many bags of beads you would like (\$10 per bag)
